Attachment: Replacement Sheet – Fig. 5

REMARKS

Reconsideration of the present application is requested.

The specification has been amended as suggestion in section no. 1)(1) of the Official action.

An amended version of Fig. 5 is being submitted which includes the reference numeral 3''' to overcome the objection raised in section no. 1)(2) of the Official action.

Claims 13-16 have been canceled, so the rejection made in section no. 3 of the Official action is moot.

Claim 10 has been amended to incorporate the subject matter of allowable claim 3 plus intervening claim 4 and is believed to be allowable.

New independent claim 17 constitutes allowable claim 5 rewritten in independent form and is also believed to be allowable.

In light of the foregoing, it is submitted that the application is in condition for allowance.

Respectfully submitted,

BUCHANAN INGERSOLL & ROONEY PC
